Recognition of Ashley Rodriguez Lopez. Ashley is the daughter of Roxana Lopez and Jose Luis Lopez. She is a first-generation citizen. Her mother just took her citizenship oath on March 4, 2021. Ashley is a 4th grader at Learning Way Elementary. Her homeroom teacher is 4th grade math teacher Kevin Rhodes, whose homeroom is comprised of both virtual and in-person students. Mr. Rhodes has accompanied Ashley and her family tonight. According to Ashley's principal Kathy Reed, "From the very beginning, she has taken full advantage of the technology to continue learning from home. She is always present and consistent in her participation. Ashley puts her all into her work, and it shows! This wonderful, young lady (of her own volition and ingenuity, I might add) created an online "homework group" so she and her classmates could still get together and work! Ashley is beyond courteous and respectful. She helps her fellow students out...she has become so adept at using Teams that she troubleshoots problems for students and teachers!!"
